Creating a Qualtrics Account

1. Go to http://widener.qualtrics.com

2. From the login page, click on Don’t have an account?

3. Then enter a Valid Widener Email address. Note: An access code is not required.

4. Qualtrics will automatically send this email to your Widener Email account:

5. Click on Verify my Email

6. Finally, complete the enrollment form that appears. Note that your username will be your Widener Email address. Create a password that you will remember and select Create account.
